

EXTENSIONS OF REMARKS

RECOGNIZING NATIONAL COURT
REPORTING AND CAPTIONING
WEEK, 2022

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2022

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to recognize the important and irreplaceable work done by our court reporters and the National Court Reporters Association (NCRA) during National Court Reporting and Captioning Week February 5–12, 2022.

As guardians of the Record, Court reporters hold the great responsibility of capturing our history for posterity. Throughout our Nation's 250 years of existence, court reporters have been the cornerstone of our American justice system. From the great speeches of our Founding Fathers to the eloquently orated speeches of Lincoln and Kennedy, these noble servants have transcribed some of the most important pieces of American history.

Currently, the NCRA provides a free course to introduce real-time writing to all Americans. This course allows high schoolers, career changers, college redirects, and military veterans to see if a profession in real-time writing is the right career choice for them.

It has always been an honor and a privilege to support the NCRA. Last year, I was proud to co-sponsor H.R. 4652, the Training for Realtime Writers Act. This bill will establish a grant program that will support and increase training for court reporters and closed captioners. I urge my colleagues to support this legislation and I look forward to continuing to work to get this bill passed.

I want to thank real-time writers everywhere and the NCRA for all the hard work they do.

A RUSH TO GREATNESS, IN
MEMORY OF GREAT LIMBAUGH

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2022

Mr. LONG. Madam Speaker, I rise today to honor a great American and pioneer from The Show Me State our beloved Missouri, who changed the world of radio broadcasting In His Rush To Greatness. I ask that this poem penned in his honor by Albert Carey Caswell be included in the RECORD.

A RUSH TO GREATNESS

By Albert Carey Caswell

When our last days are done and seen our
final suns

What have we left behind begun?

Is it light or darkness our true sum?

Did we make a difference with it all?

Did we take the path less traveled answering
the call?

Few will etch the sands of time,
up to the heights of Mount Rushmore climb
Like Mark Twain creating a new paradigm
When, all seemed lost came rushing in,
for the forgotten all in his magnificent
rhymes

His golden voice touching hearts and minds
Schooling us from your Limbaugh institute
The Voice of Truth

Building a case none could refute
With Mr. Snerdly in awe at his magic pro-
duced

Visions of the future,
from the past brick by brick a wall of proof
Coming out of the darkness to bring his light
Use your talent on loan from God to shine
your light

At an early age a normal path to success dis-
obeyed

Deep down inside his heart cried out the
course to stay

Dropping out of college his parents couldn't
dissuade

In Rock and Roll he dug the beat,
his soul longing for something much more
deep

Filling American's void creating a GOLD
RUSH in hearts to keep

America began to fade as you Rushed in with
the answers to save

The bedrock principals our framers The Con-
stitution and Bill of Rights made

Things like God, Mom, County, The Flag,
be proud to be an American don't ask why

Mega Dittos, "It's The American Way"
Bringing your QUANTUM FORCE to social-
ism slay

To look to America's heroes like King, Wash-
ington, Kennedy, Lincoln, Dole, Bush,
Reagan, Parks, MacArthur for a better
day

Like "The Gift of Hope" Bob,
and The Measure Of The Man Bob Dole his
character on display

When children called in you felt his heart
blush in every way

For your bravado on their air,
off one of the most humble men standing
there

When no one was looking for his fellow
human being so cared

So many stories of helping others with our
Lord will share

America has lost a greatest champion of
freedom here

The fourth column of truth is weaken for
freedoms everywhere

Who to slay socialism dared
Tonight as your loved ones lay their heads
down to rest

Comes a gentle rain across Missouri, Florida
our Nation to bless

Our Lord's tears up in Heaven to help you
rest

Until, your lovely wife Catherine and family
meet again when they crest

And you won't have to cry no more
Rush's is an angel now,
You will hear him on the wind

When, you wake feel you'll feel him where
he's been

Watching over you time and again
Rush there are talk shows in heaven my
friend

HON. LLOYD SMUCKER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2022

Mr. SMUCKER. Madam Speaker, I rise today to pay tribute to Mr. Al Libasci of York, Pennsylvania, a World War II veteran who will be turning 102 years old on February 25, 2022. Al's life has been one of service to our country. Drafted into the U.S. Army in 1942, Al served in the Pacific Theater during World War II with the Jolly Rogers, 90th Heavy Bomb Group, 5th Air Force. Al flew over thirty combat missions in a B-24 Liberator, bravely serving our country overseas. After the War, Al went on to work as a civilian employee for the government, helping the military to acquire

land for some of its installations, including the land on which the United States Air Force Academy now sits. Al's life has been marked by so much more than his career and service, however. He is a father, a husband, a bowling enthusiast, and a friend to many who has touched the lives of people around him with his positivity and enthusiasm.

Al's life has been an extraordinary one and I wish him, his family, and his wife, Rosina, the happiest of birthdays as he celebrates his 102nd.

IN RECOGNITION OF BETSY LAWRENCE AND HER SERVICE TO THE HOUSE JUDICIARY COMMITTEE

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2022

Mr. NADLER. Madam Speaker, I rise, along with ZOE LOFGREN, Chair of the Subcommittee on Immigration and Citizenship, to thank Betsy Lawrence for her service to the House Committee on the Judiciary.

Betsy came to the Committee as part of a distinguished career working to advance the rights of immigrants and their families. She had previously worked for more than a decade at the American Immigration Lawyers Association, where she held several different positions, including Associate Director of Education, Associate Director of Liaison, and Director of Government Relations. Before joining AILA, Betsy was an associate attorney at Van Der Hout LLP. She earned her B.S. from Northeastern University and her J.D. from the University of San Francisco School of Law.

Betsy joined the Committee on the Judiciary as Counsel to our Subcommittee on Immigration and Citizenship in February 2019—an especially busy time as we prepared to advance a robust immigration reform agenda and conduct meaningful oversight of the Trump Administration's anti-immigrant policies. Betsy quickly proved herself to be an invaluable member of our immigration team, and we were pleased to promote her to Chief Counsel of our Immigration Subcommittee at the beginning of this Congress.

During her tenure here, Betsy played a pivotal role in ensuring House passage of numerous bills to provide for a more humane and just immigration system, including the American Dream and Promise Act, the Farm Workforce Modernization Act, the National Origin-Based Antidiscrimination for Nonimmigrants (NO BAN) Act, and the Access to Counsel Act. She was also heavily involved in our investigation into the Trump Administration's "zero tolerance" or family separation policy, our efforts to include meaningful immigration reform in the reconciliation process, and our work to ensure immigration provisions were included in the America COMPETES Act of 2022. Despite our polarized political climate, Betsy and her team successfully worked to pass several bills into law, including the Citizenship for Children of Military Members and Civil Servants Act and the HOPE (Honoring Our Promises through Expedition) for Afghan SIVs Act of 2021. The Committee is deeply proud of her record of accomplishment.

The country has been fortunate to have Betsy working hard within the halls of Con-

gress to reform our broken immigration system, undo the harms caused by the last administration, and ensure the expedient issuance of special immigrant visas to those who served side by side with American troops in Afghanistan. Although we will miss her greatly, we know she will continue to make her country proud as she transitions to her new role in the Biden-Harris Administration.

We thank Betsy for her service to the Committee and wish her the best of luck with this new chapter.

HONORING THE EXTRAORDINARY ACCOMPLISHMENTS OF CACHAVIOUS "CHAY" ENGLISH

HON. TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 8, 2022

Ms. SEWELL. Madam Speaker, I rise today to honor the extraordinary accomplishments of Cachavious "Chay" English, my beloved former Chief of Staff, and key advisors; Chay joined our staff as a legislative assistant in January of 2011 and served his home district with distinction for almost ten years. In November of last year, Chay took on a new role at BGR Group, a primer bipartisan lobbying, and public relations firm, as a vice president where he will be focusing on financial services, tax, and health care policies.

Chay received his education from the University of Michigan, where he served as a residential advisor before receiving his Bachelor of Arts in African and African American Studies. At the University of Michigan, Chay became a member of his esteemed fraternity, Alpha Phi Alpha Fraternity, Inc., a brotherhood that has provided him an invaluable network for years to come. He then continued his education at the University of Alabama School of Law, where he graduated with a 3.0. It was here where he began setting the foundation for his promising career in politics as a member of the Trial Advocacy Competition Team that would go on to become national champions in 2009 through 2010. As an active student at the University of Alabama, Chay was also a member of the Order of Barristers Honors Society and the National Black Law Students Association.

Professionally while working as a legal intern for the National Labor Board Field Office and former Alabama 7th Congressional District Representative Congressman Artur David in 2009 and 2010, Chay continued to expand his knowledge of politics by performing statutory research and analysis on proposed legislation concerning Displaced Citizens' Voting Rights, the Elder Justice Act, Military Internet Voting, and Gulf Coast Reconstruction. Chay joined our office in 2011 and served as a Legislative Assistant serving as an interim primary policy advisor for all proposed legislative initiatives, policy recommendations, and recorded votes. Devoting his considerable talents to ensuring the progression of Alabama's 7th Congressional District, he quickly became the primary counsel for legislative initiatives and policy recommendations pertaining to financial services, small business, agriculture, housing, workforce development, and labor issues.
